

Deliverables Checklist (cont.)

Don't Forget!

Add the "Thank You CDE" text on every document you turn in for the grant.

Deliverables: non-negotiable work

- ☐ **Teacher Pre- and Post- Survey**
- ☐ **Student Pre- and Post- Assessment**
 - ☐ TLAP 21st Century Skills Assessment
 - ☐ 2nd and 3rd Trimester
- ☐ **Literature Review and Narrative**
 - ☐ Discuss use of specific technology in the classroom as influenced by the book *Reinventing Project-Based Learning*.
 - ☐ Summative/reflective narrative to discuss entire project
 - Quality of the training, and suggestions for improvement.
 - Use of technology in lesson (2nd Tri) and in unit (3rd Tri).
 - Impression of student motivation and engagement.
 - Teacher impression of their own growth with technology skills over project.
 - Action-plan to continue to build skills and use technology in the classroom.
- ☐ **3rd Trimester Unit**
 - ☐ All daily lesson plans that go with unit.
 - Use standard lesson plan format – see the lesson plan template in your binder or this website:
http://www.google.com/a/help/intl/en/edu/lesson_plans.html
 - Specifically mention which ISTE standards you are targeting.
 - ☐ BRIEF narrative describing scope/sequence of unit and work done to modify unit to include technology.
 - If unit already included use of technology, what did you do to target additional 21st century standards.
 - What technology tools are being used and how will it be used to further your content objectives?
 - ☐ Unit Assessment – specifically how will you assess your objectives & use of technology by kids (include rubric)?
 - ☐ Any resources you develop to model technology to kids
 - ☐ 2-3 examples of student work.

Deliverables Checklist (cont.)

Deliverables: negotiable work

Don't Forget!

Add the "Thank You CDE" text on every document you turn in for the grant.

☐ Attendance – Meetings

Project Orientation

October 19

Post-Training Meeting

December 15

Lesson Presentations/Group Development Time

TBD

Final Meeting/Unit Presentations

TBD

☐ Attendance – Training

Day One

October 22 and 27

Day Two

November 5 and 9

Day Three

December 3 and 8

☐ Blogging

☐ Once a week from October 22 to June 4

☐ Total of 25 posts over the course of the project.

☐ 2nd Trimester Lesson

☐ Lesson plan.

- Use standard lesson plan format –
- Specifically mention which ISTE standards you are targeting.
- BRIEF narrative describing scope/sequence of the lesson and work done to modify lesson to include technology.
- What **NEW** tool will you introduce in this lesson and the reason you chose this tool for your class.

☐ Lesson Assessment – Specifically, how will you assess your objective & use of technology by kids (include rubric)?

☐ Any resources you develop to model technology to kids

☐ 2-3 examples of student work.

- If your technology tool you are using is a process and does not produce a product – find a way to do a screen capture or take pictures of the technology use in your classroom.
- Important thing here is that you are finding a way to document this process, both for the sake of the grant and for any teacher that might want to use your lesson in the future.
